BUSINESS OVERVIEW

Dear Valued Customer,

It is with great pride and pleasure we present to you our range of lab products for laboratories.

Our products are highly approved in school, college laboratories, R & D labs etc. We have been in business for over 45 years and our catalog features more than 4000 lab products. We can also arrange for any Rare products according to your requirement. We aspire to the highest level of excellence in our products and services. We assure in-stock products which are of the highest purity, conveniently packaged in various sizes to meet your laboratories requirements and all these at affordable prices.

VISHAL CHEM products are widely available through the strong network of Super stockist/ Stockist / Sub Dealers spread globally. Supplying trustworthy, reliable with fast delivery products is our main objective.

You can refer our product range and also order. We shall be more happy by serving you and invite you to become a part of our growth.

With Best Regards

Mihir Desai

PROPRIETOR
